The saws spon ton States,-Our available space is to day devoted to the Telegraphic news which we find in our latest exchanges from the States

It will be seen that nothing of stirring importance has transpired in the military movements of the country except so far as relates to the action at Lexington Mo.

The indications however, are that henceforth the

position in arms for one or the other of the ball. gerent parties.

The Legislature of Maryland was not able to de any business at the recent called session. Many of the accession members were placed under arrest and sent to Fort McHenry. It is stated in some of our exchanges that two thirds of the members of both branches of the Legislature were seen
